## Postcards from London

Dear Celine,

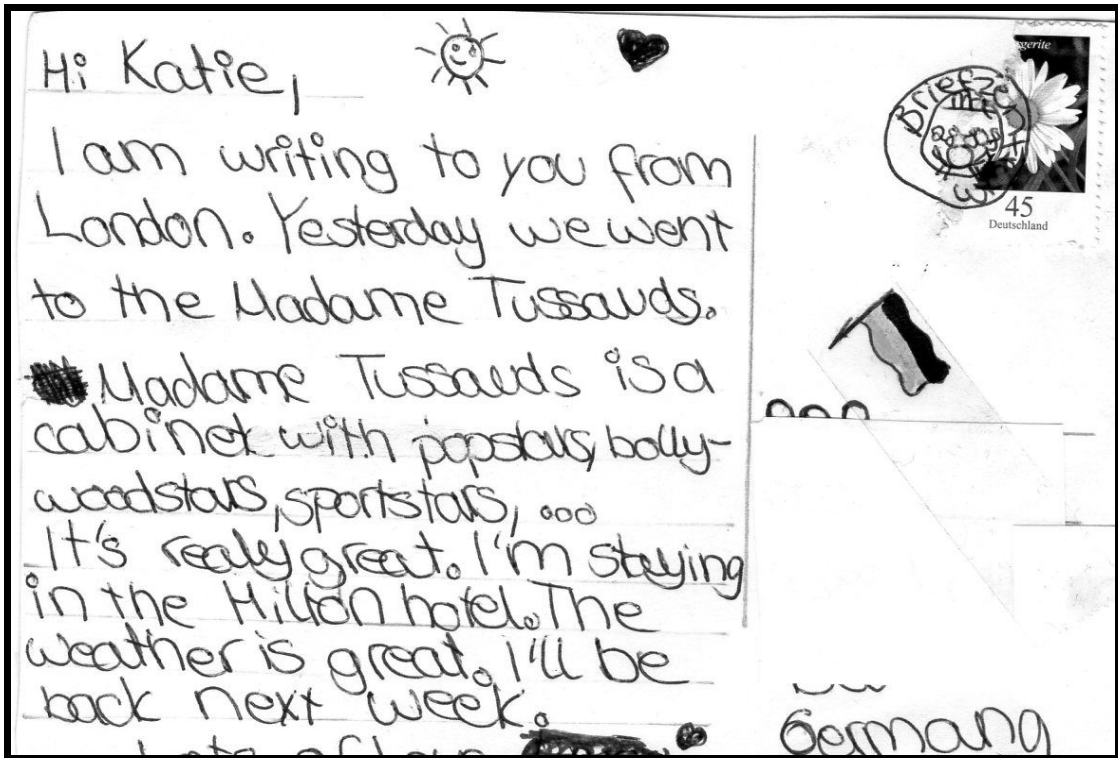

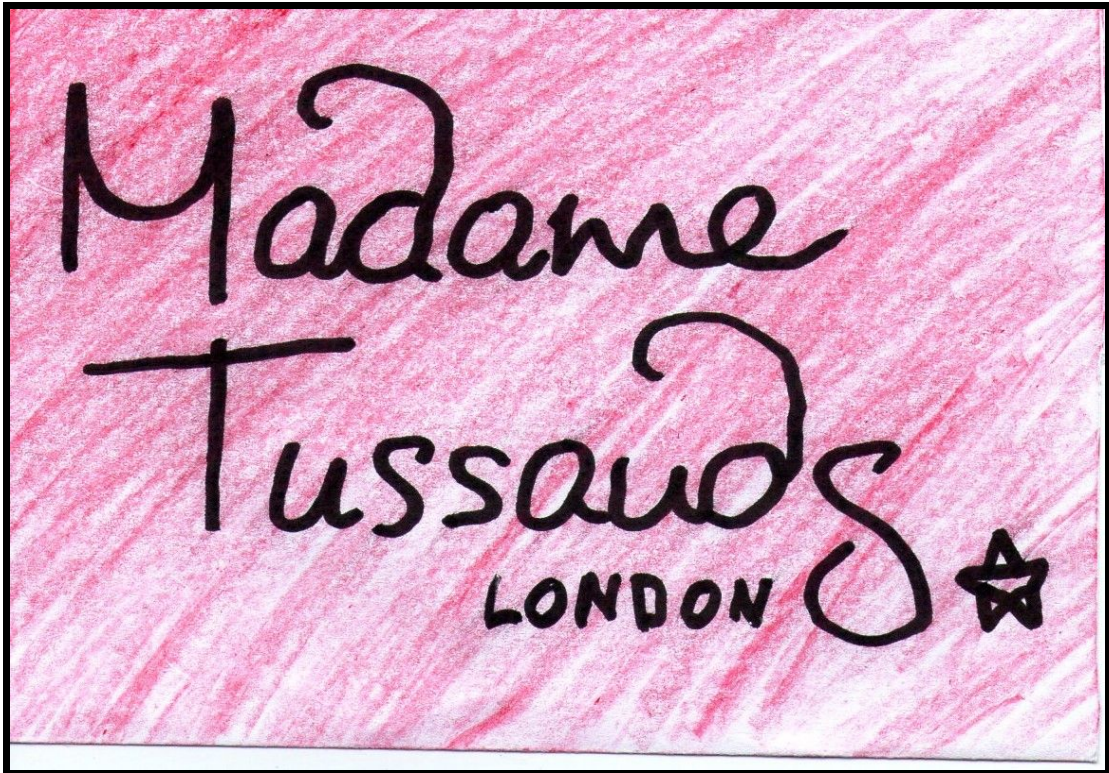

I'm writing to you from the London Eye. It is really nice here. Every day I do other things. Yesterday, I looked at the London Eye. That was so fantastic. Our hotel in London is alright. The weather is great. It is hot and sunny. I will come back in two days. See you soon,

Hello Emma,  
I'm writing from London.  
We do a lot of things.  
Yesterday we went to  
Madame Tussaud. This  
was very funny. Our  
hotel is nice. The  
weather is sometimes  
good and sometimes bad.  
We will come back  
next week.  
See you soon,

I am writing you from the Buckingham Palace in London. It is really wonderful here. Every day, we do fantastic things in London. Last Monday, we visited the Buckingham Palace and saw the changing of the guards. That show was very great. The Buckingham Palace is the home of the Queen. We stay at the "British Hotel" close to the palace. It's a niche hotel. The weather here is not so great because it is raining always. On the 22th November, we come back.

Lots of love,

nice there. The hotel  
is alright. The weather  
in London is beauti-
